# NYSPFP Opioid Stewardship Initiative

---

## ○ Purpose

- Assist member hospitals in the development and maintenance of a hospital driven Opioid Stewardship Program

## ○ Goals

- Evaluate hospital systems and practices associated with opioid prescribing and administration
- Monitor and evaluate opioid prescribing and administration patterns
- Promote the use of non-opioid alternatives for pain management

# What Is the Offer?

## Self Assessment

- NYSPFP and ISMP are collaborating to provide access to self assessment focused on Opioids (high alert medication) to interested hospitals

## Process

- Hospitals complete survey and add 'collaborative code'
- Results are confidential
- Technical assistance as needed for completion

## Support

- Availability of NYSPFP Project Manager team to support improvement based on survey
- Goal is quality and safety improvement

# Benefits of Participation

---

## Joint Commission

- Assists in meeting Joint Commission standards on pain management

## Benchmarking

- NYSPFP Cohort benchmark based on NYSPFP participants

## Planning

- Results help direct NYSPFP staff to support members and in developing future programming
